

### **Registration Packet Instruction Sheet**

Welcome to the “All American Idol” experience presented by Bethel Foundation of Oklahoma, and thank you for taking the initiative to register in advance. We are so pleased that you are going to join us for our first annual fundraising event that will help bring awareness to the needs of single mothers in our communities and help talented individuals move one step closer to realizing their dream of being a star!

Within the registration packet you will find a Release of Liability and Participation Agreement along with a Contestant Information Sheet. Please do the following:

- Print out the entire package

- Complete the packet and initial at the bottom of each page

- Bring the packet, your valid government issued photo I.D., and song choice to the audition

- For those contestants under 18:

  - Make sure a parent/guardian fills out, signs, and initials every portion required

  - Bring a valid student or government issued ID and an original copy of your birth certificate

  - You must have a parent or guardian present unless a representative has been appointed and the proper sections of the packet are completed

  - The accompanying adult must present valid ID as well

- Arrive to auditions with material memorized, dressed in appropriate clothing, and ready to sing!

Each contestant will be given 30-60 seconds to sing WITHOUT music. Please do not bring music tracks or instruments to the initial portion of the audition process as you will not be able to use them. Music may be allowed after this first round with further details given at that time.

Everyone who has pre-registered and presents their completed packet of information will be given first priority to audition over those who have not. By filling out your paperwork in advance, your auditioning experience will move much quicker.

Good luck and we will see you soon!
